### DETAILS

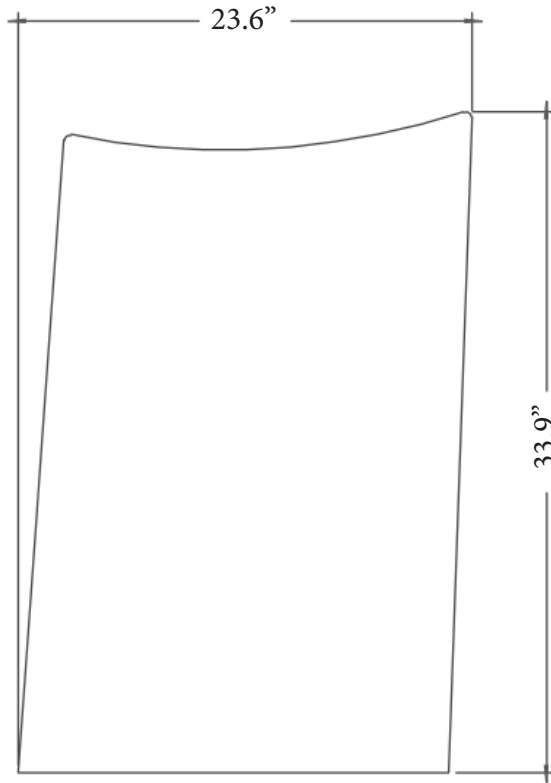

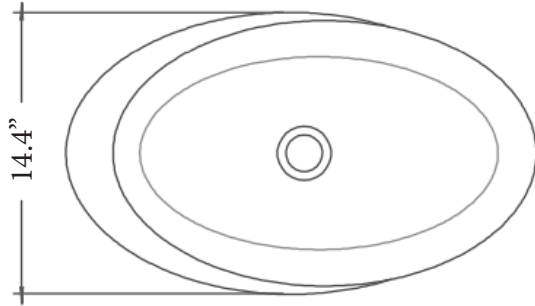

Length: 23.6"  
Width: 14.4"  
Height: 33.9"

### DESCRIPTION

Is it slightly imperfect or more than perfect? Wabi-sabi or shaped with bold intention? A cylinder gently bowed on one side leans upwards to an open mouth that promises to consume the cares of your day in purifying water. Its natural asymmetry conjures the movement of the ocean and the power of its flow while its arresting shape lures the observer with a siren song.
