TC152

23.4"l x 13.8"w x 5.9"h
602mm x 350mm x 150mm

DETAILS

Length: 23.7"

Width: 13.8"

Height: 5.9"

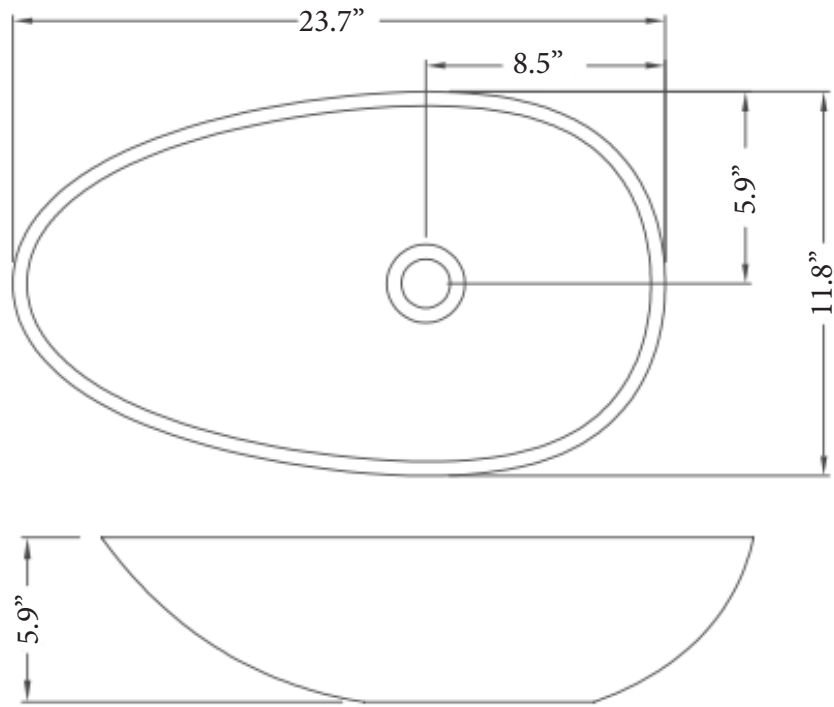

DESCRIPTION

Like an egg balanced on its edge, this sink's curves follow the golden ratio, creating an oblong spheroid piece of masterful precision. Reassuringly round yet utterly linear at its lip, perfectly balanced yet audaciously off-kilter, its contradictions serve only to amplify its captivating otherworldliness. Emanating from this vessel, an aura of serene balance creates a statement without saying a word.
